REQUEST TO REPRINT PATENT
UNDER 37 C.F.R. §1.322(b)

Sir:

It is respectfully requested that the subject U.S. Patent No. 7,022,446 B2 be reprinted by the Patent and Trademark Office due to errors which appear in the printed patent as a result of Patent and Trademark Office mistakes. Specifically, on the Title Page, the Assignee was completely omitted in item (75) and the inventors' addresses in item (76) are all incorrect.

SEP 13 2006

Previously, a Request for Certificate of Correction was filed August 15, 2006 to correct those and other PTO and Applicants' errors and the \$100.00 statutory fee for such Certificate of Correction was provided. A copy of the Form PTO-1050 is enclosed for the convenience of the PTO.

However, since the Assignee's name is omitted, then those parties interested in the subject matter of the patent will not be able to retrieve the patent from a Title Search for Assignee nor will they be apprised of the ownership of the patent from a review of the Title Page. Therefore, the patent should be reprinted to at least insert the Assignee's name and the correct addresses of the inventors.

The original ribboned Letters grant is herewith returned, as required.

Patentees' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

Peter Saxon
